Re: High Line Signage for Section 2

Dear Ms. Snyder

Manhattan Community Board # 4 (MCB4) has reviewed the signage proposed for Section 2 of the High Line as presented by the Friends of the High Line. It is, in fact, very similar to the existing signage for Section 1 with some improvements, and MCB4 wholeheartedly approves of this plan.

As we told Friends of the High Line at the Executive Committee meeting, the street level way-finding signs proposed for certain streets on 10th Avenue might also be replicated on 11th Avenue to help connect The High Line with Hudson River Park.

MCB4 continues to be excited about the progress of the High Line and looks forward to the opening of Section 2 this Spring.

Sincerely,
